

7 Inch TFT LCD Display Module with 800*480 Resolution and SPI 4 Wire Interface for Industrial and Automotive Applications

Our Product Introduction

for more products please visit us on lcdtftscreen.com

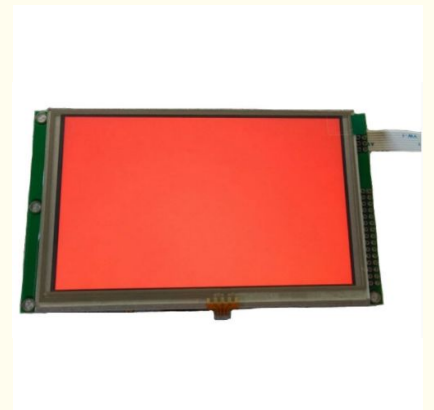

Basic Information

- Place of Origin: China
- Brand Name: BBI
- Certification: ISO90001 RoHS
- Minimum Order Quantity: 1000
- Price: 0.7-7USD
- Packaging Details: CARTON
- Delivery Time: 3-47WEEKS
- Payment Terms: T/T
- Supply Ability: 100000/MONTH

Product Specification

- Lcm Outline: 180 (H) * 104 (W) * 12 Mm (T)
- Viewing Area Size: 165 * (H) * 100(W) Mm
- Buttons: Play/Pause, Volume,previous,next
- Application: Industry, Healthcare, Automotive, Household Appliances
- Interface: MCU - SPI 4 Wire
- Display Resolution: 800*480 Dots
- Highlight: **800*480 Resolution TFT LCD Display Module, SPI 4 Wire Interface LCD Module, 6 O'Clock Viewing Direction TFT Display Module**

Application Scenarios

Industrial Automation

Ideal for PLC control panels, HMI interfaces, and instrumentation. Enables clear display of equipment status, parameter curves, and alarm information with rapid response times.

Medical Equipment

Perfect for portable monitoring devices, ultrasound equipment, and diagnostic terminals. Supports glove touch control technology for hygienic operation in clinical environments.

Vehicle Electronics

Excellent for navigation systems, control panels, and rearview camera displays. Provides high-definition visuals for improved driver awareness and decision-making.

Smart Home & IoT

Versatile solution for smart access control, video intercom systems, and home automation panels. Offers intuitive touch interface for seamless device control.

Consumer Electronics

Well-suited for portable gaming devices, electronic photo frames, and educational tablets. Provides optimal screen size for comfortable viewing and interaction.

Retail & Catering

Effective for self-service kiosks and digital signage. Enhances customer engagement with vibrant displays and responsive touch interfaces.

Packaging & Shipping

Packaging Options

Custom packaging solutions including carton boxes, cupboard, EPE, and blister trays. Packaging method tailored to product size and customer requirements.

Shipping Methods

Flexible shipping options via DHL, FedEx, EMS, UPS, air or sea freight according to customer preference.
